Seasons 7-Piece Dining Set

The Seasons 7-Piece Dining Set beautifully transforms any backyard into an elegant outdoor entertainment area with its superior quality and deep comfort feel. This set includes one large dining table, four stationary dining chairs and two swivel rockers. Both sophisticated and refined, this set offers the perfect accommodation while you're entertaining your guests outdoors.

The aluminum frames are polished with a protective bronze coating that highlights the cast-accent scrolls across the top of the table and chairs. The two swivel chairs also perform a smooth, 360-degree spin and gentle rocking motion. A blue seat cushion is provided for each chair and is specifically designed, woven, and treated for quick drying while resisting stains and UV harm. Designed for many years of enjoyment, this outdoor set will provide a natural alternative to dining indoors and will provide your guests with the best accommodations under the sun.
