

PRODUCT FEATURES

Refresh
*Remote Start

REMOVE ODORS

Use the Styler's Refresh cycle to quickly and easily remove odors from clothes.

REFRESH CLOTHING OR ADD AN AROMA

Infuse items with the aroma from your favorite dryer fabric softener sheets to keep clothes and accessories looking, feeling, and smelling refreshed.

REDUCE WRINKLES

The Refresh cycle also uses steam and a moving hanger that vibrates approximately 180 times per minute to reduce the wrinkles in clothing. Performance may vary depending on fabric type.

SHARPEN CREASES IN PANTS

Hang dress trousers flat in the Styler's Pants Crease Care feature. It will crease the pants legs and reduce wrinkles elsewhere.

Gentle Dry
*Smart Diagnosis™

GENTLY AND EFFECTIVELY DRY

The heat pump drying technology of the Gentle Dry cycle provides low-heat drying which draws moisture from clothes without the shrinking or damage associated with hot-air drying. Gently and safely dry alpaca, camelhair and other non-washable fabrics that have become damp from rain or snow, and wool sweaters, hand-washable knits, and other dry-flat items after washing.

Sanitary
*Night Care

SANITIZE AND REDUCE ALLERGENS

The Styler's Sanitary cycle uses TrueSteam™ to destroy bacteria and other microorganisms without damaging clothes. It maintains the optimal temperature necessary to sanitize each garment, destroying bacteria that persist even when clothes are dried in sunlight.

Smart Diagnosis™

SMART DIAGNOSIS™

Should you experience any technical difficulty with the Styler, it has the capability of transmitting data by phone to the Customer Information Center. The call center agent records the data transmitted from your machine and uses it to analyze the issue, providing a fast and effective diagnosis. (Refer to page 38.)

Special Care
*Control Lock

Wi-Fi CYCLE DOWNLOAD

Download additional Styler cycles to meet individual needs. Download one new cycle at a time.

IMPORTANT SAFETY INSTRUCTIONS

READ ALL INSTRUCTIONS BEFORE USING THE APPLIANCE.

There are many important safety messages in this manual and on your appliance.

Always **read and obey** all safety messages.

This is the safety alert symbol. This symbol alerts you to potential hazards that can result in product damage, property damage, or serious bodily harm or death.

The safety alert symbol will be followed by either the hazard signal word **WARNING** or **CAUTION**. These words mean:

WARNING Indicates a hazardous situation which, if not avoided, could result in death or serious injury.

CAUTION Indicates a hazardous situation which, if not avoided, may result in minor or moderate injury, or product damage.

WARNING

To reduce the risk of fire or explosion, electric shock, property damage, injury to persons or death when using this appliance, follow basic safety precautions, including the following:

SAFETY INSTRUCTIONS FOR INSTALLATION

- **Contact an authorized service center before installing or relocating the Styler** to avoid injury or product damage when moving the product.
- **When moving the Styler away from the wall, be careful not to roll over or damage the power cord.**
- **The appliance is heavy. Two or more people are necessary to move and install the appliance to prevent damage or injury.**
- **Prior to use, ensure that you are connecting this product to a dedicated grounded electrical outlet rated for use with this product.** It is the user's responsibility to replace a standard 2-prong wall outlet with a standard 3-prong wall outlet.
- **Before use, the appliance must be properly installed as described in this manual.** Electric shock can result if the appliance is not properly grounded.
- **Do not install the Styler where there may be a danger of the unit falling. The product is not designed for use on ships or airplanes.** Check with an authorized LG service center for use under other special circumstances.
- Do not tamper with controls.
- **Install the product where the floor is firm and level.** The product may vibrate excessively and eventually fall if installed on an unstable surface, causing damage or injury.
- **Keep the front side protected when transporting the appliance. Do not truck from the front.** The tempered glass panel on the front of the appliance may break, causing damage or injury.
- **Properly ground the appliance to conform with all governing codes and ordinances.** Follow the details in the installation instructions. Electric shock can result if the appliance is not properly grounded.
- **Install and store the appliance where it will not be exposed to temperatures below freezing or exposed to the weather.** Allow the product to warm to room temperature before use if it was delivered in winter or at sub-zero temperature.
- **Do not repair or replace any part of the appliance or attempt any servicing unless specifically recommended in the user-maintenance instructions or in published user-repair instructions that you understand and have the skills to carry out.** Failure to follow this warning can cause serious injury, fire, electric shock, or death.

 **WARNING**

For your safety, the information in this manual must be followed to minimize the risk of fire, explosion, or electric shock, or to prevent property damage, injury to persons, or death.

SAFETY INSTRUCTIONS FOR INSTALLATION

- **To reduce the risk of electric shock, do not install the appliance in humid spaces such as a bathroom.** Failure to follow this warning can cause death, serious injury, fire, electric shock, or product deformation or malfunction.
- **Remove all packing items and dispose of all shipping materials properly.** Failure to do so can result in burns, fire, explosion, or death.
- **Connect to a properly rated, protected, and sized power circuit to avoid electrical overload.** Improper power circuits can melt, creating electric shock and/or fire hazard.
- **Keep all packaging from children.** Packaging material can be dangerous for children. There is a risk of suffocation.
- **Do not install near another heat source such as a stove, oven or heater.** Failure to follow this warning can cause product deformation, smoke, or fire.
- **Do not place candles, smoking materials, or other flammables on top of the product.** Dripping wax, smoke, or fire can result.
- **Remove all protective vinyl film from the product.** Failure to do so can cause product damage, smoke, or fire.

SAFETY INSTRUCTIONS FOR CONNECTING ELECTRICITY

- **Do not, under any circumstances, cut or remove the ground prong from the power cord.** To prevent personal injury or damage to the appliance, the electrical power cord must be plugged into a properly grounded outlet.
- **This appliance must be plugged into a 120-VAC, 60-Hz grounded outlet protected by a 15-ampere fuse or circuit breaker.** Failure to follow these instructions can result in fire, explosion, or death.
- **This appliance must be plugged into a properly grounded outlet. Electrical shock can result if the appliance is not properly grounded. Have the wall outlet and circuit checked by a qualified electrician to make sure the outlet is properly grounded.** Failure to follow these instructions can create an electric shock hazard and/or a fire hazard.
- **Install the appliance where the plug is easily accessible. Unplug the appliance when not in use** to avoid risk of fire or electric shock.
- **Unplug the appliance before disassembly or repair** to avoid risk of electric shock.
- **The appliance should always be plugged into its own individual electrical outlet which has a voltage rating that matches the rating plate.** This provides the best performance and also prevents overloading house wiring circuits which could cause a fire hazard from overheated wires.
- **Do not use an extension cord to connect to an outlet.** Doing so could result in a fire or electric shock.
- **Never unplug your appliance by pulling on the power cord. Always grip the plug firmly and pull straight out from the outlet.** The power cord can be damaged, resulting in a risk of fire and electric shock.
- **Contact LG or a qualified repair person immediately to repair or replace all power cords that have become frayed or otherwise damaged. Do not use a cord that shows cracks or abrasion damage along its length or at either end.** The power cord can melt, creating electric shock and/or fire hazard.
- **When installing or moving the appliance, be careful not to pinch, crush, or damage the power cord.** This will prevent injury and damage to the appliance from fire and electric shock.
- **Do not use a multi socket outlet which is not properly grounded (portable). Upon using a properly-grounded multi socket outlet (portable), use a product with the current capacity of 15A or higher alone.** Failure to do so may result in electric shock or fire due to the heat of multi socket outlet. The power may be shut off when the circuit breaker is operated.

IMPORTANT SAFETY INSTRUCTIONS

READ ALL INSTRUCTIONS BEFORE USING THE APPLIANCE.

WARNING

To reduce the risk of fire or explosion, electric shock, property damage, injury to persons or death when using this appliance, follow basic safety precautions, including the following:

USE

- **Do not allow children to play on or in the appliance.** Close supervision of children is necessary when the appliance is used near children.
- **Do not climb, stand, or hang on the Styler door or on the shelf or anywhere inside the appliance.** The appliance could fall over or be damaged, or other damage or injury could occur.
- **Do not step on the doors to the water tanks.** The Styler could fall and cause damage and injury.
- **Do not place heavy or dangerous objects on top of the Styler.**
- **Do not put live animals inside the Styler.**
- **Do not allow children to climb into the product when it is in use.**
- **In the event of a gas leak (propane/LPG),** ensure adequate ventilation and contact an authorized service center before resuming use. Do not touch or disassemble the electrical outlet of the Styler.
- **Do not use or place flammable substances (chemicals, medicine, cosmetics, etc) near the Styler** or store them inside the Styler. Do not place the Styler in the vicinity of flammable gas.
- **Disconnect the power cord immediately** if you hear a noise, smell a strange odor or detect smoke coming from the appliance.
- **In the event of a flood:** Do not go near the product when its base is submerged under water. Contact the service center. There is a risk of electric shock or fire.
- **Do not use fabric softeners or products to eliminate static unless recommended by the manufacturer of the fabric softener or product.**
- **Do not place hands or body near steam nozzle during operation.** The steam is hot and could cause an injury.
- **Do not insert objects into the steam nozzle.** Excessive noise and fire could result.
- **Do not drink the water from the water supply or drain tanks.**
- **Do not disassemble or modify the Styler.**
- **Do not put hands, feet, or metal objects below the Styler.**
- **Do not operate the Styler or touch the power cord with wet hands.**
- **Keep fingers out of pinch point areas;** clearances between the door and cabinet are necessarily small. Be careful closing door when children are nearby.
- **This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities,** or lack of experience and knowledge, unless they have been given supervision or instruction concerning the use of the appliance by a person responsible for their safety.
- **Do not place items exposed to cooking oils in the Styler.** Items contaminated with cooking oils may contribute to a chemical reaction that could cause a load to catch fire.
- **Do not dry articles that have been previously cleaned in, washed in, soaked in, or spotted with gasoline,** dry-cleaning solvents, or other flammable or explosive substances, as they give off vapors that could ignite or explode.
- Do not use heat to dry articles containing foam rubber or similarly textured rubber-like materials.

 **WARNING**

To reduce the risk of fire or explosion, electric shock, property damage, injury to persons or death when using this appliance, follow basic safety precautions, including the following:

- **Do not open door during operation.** The performance of the product may be adversely affected. If the product is installed on or near carpet, condensation from escaping hot air or steam may stain or damage the carpet.
- **Do not use the product for other than the intended purposes.** Damage incurred by using the product for purposes other than those specified in this user manual are not covered by the warranty.
- **Do not use a bleaching agent such as oxygen or chlorine-based bleaches on the exterior of the product.** Clorox or OxiClean may cause discoloration when applied to the surface of the product.
- **Do not use sharp objects when cleaning or operating the controls.** An electric shock may occur.

MAINTENANCE AND DISPOSAL

- **Wipe foreign objects (such as dust and water) off the prongs of the power plug and contact areas regularly.** Do not use a wet or damp cloth when cleaning the plug.
- **Do not use an appliance to dry the interior. Do not light a candle to remove interior odors.**
- **Do not spray water onto the product directly when cleaning.** A fire or electric shock may occur.
- **Wipe the interior with a dry cloth after use.**
- **Clean the lint screen before or after each load.**
- **Avoid hitting the front glass panel with heavy objects.** Although it is made of tempered glass, the panel may break in the event of a strong impact and cause injury.
- **Keep product free from rodents, insects, and other foreign objects.** They may damage wires, causing fire or electric shock.
- **Before the appliance is removed from service or discarded, remove the door to the drying compartment.** Cut off the power plug and destroy the button section to prevent reuse.

GROUNDING INSTRUCTIONS

- **This appliance must be grounded.** In the event of malfunction or breakdown, grounding will reduce the risk of electric shock by providing a path of least resistance for electric current.
- **This appliance must be equipped with a cord having an equipment-grounding conductor and a grounding plug.** The plug must be plugged into an appropriate outlet that is properly installed and grounded in accordance with all local codes and ordinances.
- **Do not modify the plug.** If it will not fit the outlet, have a proper outlet installed by a qualified electrician.
- **This appliance must be connected to a grounded metal, permanent wiring system or an equipment-grounding conductor must be run with the circuit conductors and connected to the equipment-grounding terminal or lead on the appliance.** Electric shock can result if the appliance is not properly grounded.

 **WARNING**

This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

Wash hands after handling.

 **WARNING**

Improper connection of the equipment-grounding conductor can result in a risk of electric shock. Check with a qualified electrician or service person if you are in doubt that the appliance is properly grounded.

PRODUCT OVERVIEW

PARTS

* The door swing can be reversed by the installer to fit the installation location.

ACCESSORIES

Included Accessories

shelf

drip tray

2 hangers*

pants hanger*

2 rear leveling feet

4 carpet install spikes

2 non-skid pads

2 rear cap covers

anti-tip kit

wrench

2 hinge covers

*An ordinary metal/plastic hanger can be used if the hook is less than 5/32 in. (4 mm) thick. The hook must fit in the indentation in the moving hanger snugly. If the fit is too loose, it may result in vibration, noise, and damage to clothing.

NOTE

- Contact the store where the product was purchased or LG customer service at 1-800-243-0000 (1-888-542-2623 in Canada) if any accessories are damaged or missing. Accessories can be purchased separately online at <http://www.lg.com/us>
- For your safety and for extended product life, use only authorized components. The manufacturer is not responsible for product malfunction or accidents caused by the use of separately purchased unauthorized components or parts.
- The images in this guide may be different from the actual components and accessories, which are subject to change by the manufacturer without prior notice for product improvement purposes.

THE MOVING HANGER

Hang clothes on the moving hanger using the hangers provided with the Styler, or use any plastic or metal hanger that hooks snugly into the indentations in the moving hanger.

- Use the moving hanger for suits, coats, jackets, blouses, dresses, skirts, and pants that don't require a crease. Use the Pants Crease Care to crease pants.
- Anything that can be securely placed on a hanger and steamed or dried without retaining hanger marks or other damage can be placed on the moving hanger.
- Dry sweaters or knits on the shelf to avoid hanger marks.
- Clothing should be securely fastened, with zippers and buttons closed, so that it does not fall off the moving hanger during the cycle.
- Arrange clothing so it does not touch the sides or rear of the cabinet, if possible. Condensation may form on the interior surface of the cabinet, and items in contact with the surface may remain damp at the end of the cycle. Hang larger items on the diagonal indentations on the moving hanger.

! CAUTION

- **Do not lean or pull on the moving hanger. Do not allow children play with or hang onto the moving hanger.** The unit could tip, resulting in damage or injury.

THE PANTS CREASE CARE

Hang clothes in the Pants Crease Care using the pants hanger provided with the Styler or any pants hanger that fits into the hooks above the door to the Pants Crease Care.

- Open the door to the Pants Crease Care by pressing the icon on the front.

- The Pants Crease Care keeps pants legs creased while reducing wrinkles elsewhere.
- Pants can be pressed while refreshing other items in the same cycle.
- For optimum results, use the Extra Pants Care cycle which is designed for use with the Pants Crease Care feature. This cycle can be downloaded using the LG Smart ThinQ app and used as the Downloaded cycle. For instructions, see **Smart Functions**, page 36, and the instructions in the application.

! NOTE

To avoid double creases, run a steam cycle using the moving hanger to reduce any existing knife pleats, and then use the pants press.

! CAUTION

- **Do not lean on or hang heavy items on the door of the Pants Crease Care.** The unit may tip, resulting in damage or injury.
- **Do not allow children to play with or hang onto the door of the Pants Crease Care.** The unit may tip, resulting in damage or injury.
- **Keep fingers out of pinch point areas when closing the door of the Pants Crease Care.** Supervise nearby children to prevent injuries.

THE SHELF

Use the shelf when styling clothes or other items that are difficult to hang or that may be damaged by hang drying.

- Use the shelf for stuffed toys, pillows, hats, and other accessories.
- Use the shelf for sweaters, knits, lingerie, or delicate blouses that can show hanger marks, stretching, or other damage if dried on a hanger.
- For best drying performance, do not stack items on the shelf. Dry single items or place items side by side with space between.
- When not in use, store the shelf on the shelf holder knobs in the back of the cabinet.
- For instructions on installing the shelf, see **Assembling the Shelf**, page 28. Do not use the shelf for storing heavy items.
- Arrange items on the shelf so they do not touch the sides or rear of the cabinet, if possible. Condensation may form on the interior surface of the cabinet, and items in contact with the surface may remain damp at the end of the cycle.

CAUTION

- **Do not use the shelf to store heavy items.** The shelf may fall, resulting in damage or injury.
- **Do not step or sit on the shelf.** The shelf may fall or the unit may tip, resulting in damage or injury.

CHOOSING STYLER FEATURES
