

Remote Control Included

Ideal for large rooms up to 310 sq. ft.;
200 AHAM Verifide Target Smoke CADR rating.

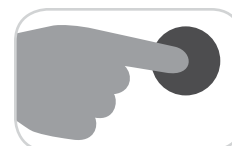

Ultra-Effective in removing 99.97% of airborne particles as small as .3 microns, including allergens, pollutants, odors and VOCs from the air that passes through the HEPA filter, pre-filter and VOC filter.

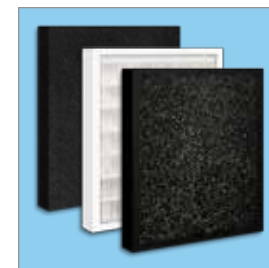

Ideal for use in nurseries, bedrooms and other areas where less noise is desired.

Saves energy and money; uses up to 40% less energy than standard models.

Customize operation and view it on the LCD display including fan speed, timer settings, filter change indicators and the optional ionizer at the press of the button.
