Service

Toro has designed this product to give you years of trouble free use. Should it need service, bring the product to your Authorized Toro Service Dealer. Your Toro Dealer is specially trained to repair Toro products and will ensure that your Toro stays "All" Toro.

Storage

Store the blower indoors, in a cool dry location, out of reach of children and animals.

Troubleshooting

If your blower fails to run when you turn it on, check the following before contacting your Authorized Toro Service Dealer:

- Ensure that the battery is fully charged.
- Ensure that the battery is secured in place on the back of the blower and that it is fully seated.

Using the battery when it is hot can reduce the operating time. Remove the battery from the charger and allow it to cool before placing it back into the sweeper.

Using the battery when there is moisture on the leads can cause the trimmer to malfunction. Allow the battery to dry or wipe it dry before placing it back into the blower.
