

SAFAVIEH

1 YEAR LIMITED WARRANTY

SAFAVIEH is committed to offering innovative and quality products, and thereby warrants the materials being used to be free from manufacturing defects in workmanship and material described in this warranty. This product has a 1 year limited warranty from the date of purchase against defects in workmanship and/or materials.

If there is a defect in workmanship or material, please contact one of our care representatives at 516-945-1900, extension: 501. Within the duration of the warranty (1 year), for the warranty to be valid, you must:

- (a) Be the original purchaser
- (b) Provide the original law tags and bill of sale (including date of purchase)
- (c) Have purchased the mattress at one of our authorized dealers

If there is a defect in workmanship or material, your Safavieh mattress will be repaired or replaced. If identical materials are not available at the time of replacement or repair, Safavieh reserves the right to substitute materials of equal or greater quality.

Please note: The warranty is valid from the date of your original purchase; it will NOT be renewed or extended when you receive a replacement or repair.

Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state.
