

ALL AE OUTDOOR FURNITURE HAS A 3 YEAR LIMITED FRAME AND FABRIC WARRANTY.

What does that mean for you?

FRAMES

Warranted to be free from defects in materials and workmanship for a period of five years from date of purchase. Frame failure that is the result of the product being dropped, acts of nature, or acts of misuse are not covered. Does not cover scratches, chips and dents or damage from normal wear and tear.

ALL WEATHER WICKER

Warranted against manufacturer defect and structural failure. Cracking and fading of wicker is covered for a period of five years. Does not cover damage from normal wear and tear.

RESIN COMPOSITE MATERIALS

A few of our collections feature planks of composite resin as table surfaces or side panels in a chair. This material is warranted against cracking and fading for five years from the date of purchase. Does not cover scratches, chips and dents or damage from normal wear and tear.

SUNBRELLA FABRIC

We use only high quality Sunbrella outdoor furniture fabrics for the construction of our cushions and pillows. This warranty protects against Sunbrella fabric becoming unserviceable due to color or strength loss from normal usage and exposure conditions, including sunlight, mildew and atmospheric chemicals. In other words, it is natural for mildew to grow under correct circumstances and it will usually not affect the durability of the fabric. The warranty only protects against mildew if the fabric is naturally being broken down by excessive mildew growth and becomes unserviceable.
