

Victorian Fencing

Ornamental Gate Fencing

3 EASY STEPS
– for all sizes –

- 1 Lay out fencing pieces** along the area where you want to install. Be sure the fencing pieces are touching. You may want to hook them together as you proceed.
See illustration below.

- 2 Push pointed anchor posts into ground.** If ground is too hard, soften it with water. If necessary, make starter holes with screwdriver.

- 3 Continue fencing run.** As you go, hook Victorian fencing pieces together with convenient interlocking system.
