

DocaPole 24ft Dusting Kit Assembly Instructions

- 1. Screw female threaded base of the desired dusting attachment onto the male threaded metal tip of the DocaPole extension pole (use black plastic hinge tip attachment to angle the attachments up to 180 degrees)**
- 2. When using the Fan Duster or Microfiber Duster remember that you can bend the dusters to fit into hard to reach areas**
- 3. To adjust extension pole length, raise thumb levers and pull out pole segments to desired length, then lower thumb levers to lock into place**
- 4. Start dusting!**
