WINTERIZER/ANTIGEL
Prevents Fuel Gelling and Protects Against Fuel-Filter Icing

WITH SLICKDIESEL® LUBRICATOR / To Protect Pumps and Injectors

ARCTIC FORMULA
Treats up to 40 Gallons

Consolidated 2.5”x4.187”
Diesel Fuel Supplement® +Cetane Boost® is a winterizer/antigel that is used in the cold winter months to prevent fuel gelling and keep fuel-filters from plugging with ice and wax. It keeps engines running for maximum winter operability. Diesel Fuel Supplement is intended for use only during cold winter months when temperatures drop below +30°F. Use Diesel Kleen® +Cetane Boost® (in the silver bottle) for peak performance in non-winter months.

- Prevents fuel gelling  
- Protects against fuel-filter icing  
- Boosts cetane for faster cold starts  
- Contains Slickdiesel® Lubricator to protect fuel pumps and injectors from increased wear caused by Ultra Low Sulfur Diesel (ULSD) fuel  
- Effective in all diesel fuels, including ULSD and biodiesel blends  
- Safe for use in all diesel engines  
- Will not void engine manufacturer’s warranty when used as directed

**DIRECTIONS:**  
At temperatures above 0°F., add entire contents (16 ounces) to 40 gallons of diesel fuel. When temperatures drop below 0°F. or when using biodiesel blends, add entire contents (16 ounces) to 20 gallons of diesel fuel.

If your vehicle will not start or gain power in cold temperatures, use Power Service Diesel 9•1•1® (in the red bottle) as directed on the container. After the engine is running, add Diesel Fuel Supplement +Cetane Boost.

This product is to be added to the fuel. **DO NOT ADD TO THE DIESEL EXHAUST FLUID TANK.**

**HANDLING PRECAUTIONS:**  
This product is packaged in a single-use container with a tamper-evident seal. Once the seal has been broken, the container cannot be resealed and will leak. Do not store previously opened containers in your vehicle. Clean up spills immediately.

This diesel fuel additive complies with the federal low sulfur content requirements for use in diesel motor vehicles and nonroad engines.

**DANGER:** COMBUSTIBLE. HARMFUL OR FATAL IF SWALLOWED OR INHALED. MAY BE HARMFUL IF ABSORBED THROUGH THE SKIN. MAY CAUSE SKIN, EYE AND RESPIRATORY IRRITATION. Use only in well-ventilated area. Keep away from heat and flame. Do not swallow. Do not breathe vapors. Avoid contact with skin and eyes. Wear protective gloves. FIRST AID: If swallowed, do not induce vomiting. Call physician immediately. If on skin, wash with soap and water. If in eyes, rinse slowly and gently with water for 15 minutes, removing contact lenses, if present, after the first 5 minutes. If inhaled, move to fresh air. If irritation persists for any exposure, call a physician.

> **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.ca.gov. Contains petroleum distillates, hydroxy alkoxylate and aromatic hydrocarbons. **KEEP OUT OF REACH OF CHILDREN.**
