

## WARRANTY INFORMATION

The manufacturer offers a limited 30 day for their exclusive Lamp collections against manufacturing defects. This warranty does not cover any damage due to surging, or to fringe resulting from clips that may be used to suspend Lamps on a display rack. If a manufacturing defect has been identified upon receipt of a Lamp, or develops under normal conditions of use, the manufacturer will repair or replace the damaged Lamp, at their option, without charge. To file a warranty claim on one of their Lamps, contact an authorized dealer. The original receipt is required for proof of purchase, and is not transferable. There are outside elements that may affect your Lamp's appearance over time. Many of these conditions are not covered under this warranty. These conditions are normal and are not considered manufacturing defects. Exposure to sunlight, humidity, heat, oxides and other atmospheric gases may cause color changes. Improper maintenance can also affect color appearance. Wet areas, like bathrooms, may cause texture and color changes due to humidity and exposure to chemicals such as chlorine. Soil and stain resistance are excellent in all of our hand-knotted Lamps, but no Lamp is impervious to everything. Routine care and cleaning are vital to maintaining long-term durability and appearance. **WARNING:** Attempting to clean your Lamp with a wet process of any kind, including, but not limited to, hot water extraction, shampooing, or commercial aerosol foam products intended for broadloom carpet may permanently damage your Lamp and will void your warranty. The manufacturer provides a 30 day limited repair or replacement warranty. We warrant to the initial purchaser and original seller that our Lamps will be free from manufacturing defects for a period of 30 days from date of delivery to the original seller. This is a limited warranty and contains specific exclusions and limitations.
