California Proposition 65

WARNING:

The engine exhaust from this product and this product contains chemicals known to the state of California to cause cancer and birth defects, or other reproductive harm.

DANGER

CARBON MONOXIDE HAZARD

NEVER use engine inside homes, garages, crawl spaces, or other partially enclosed areas. Poisonous gases that can be harmful or fatal can build up in these areas. Using a fan and opening doors or windows does NOT provide enough fresh air.

Engine exhaust contains carbon monoxide - a poisonous gas that can be harmful or fatal. You CANNOT see or smell this gas.

Use a battery-powered carbon monoxide detector when running an engine.

If you start to feel sick, dizzy, or weak while using an engine, shut it off and get to fresh air RIGHT AWAY. See a doctor. You may have carbon monoxide poisoning.

 DANGER	
Using an engine or engine application indoors CAN KILL YOU IN MINUTES. Exhaust contains carbon monoxide, a poison gas you cannot see or smell.	
 NEVER use in the home or in partly enclosed areas such as garages.	  ONLY use outdoors and far from open windows doors, and vents.
Avoid other engine dangers. READ MANUAL BEFORE USE.	

Introduction

When using this engine, your safety and the safety of others should be your top priority.

To assist you in making informed decisions regarding safety, we have provided operating procedures and other information on labels and in this manual. This information warns you of potential hazards that could hurt you or others.

Please stay safety conscious when using this engine.

We have provided important safety information in a variety of forms, including:

- Safety Labels: placed on the engine.
- Safety messages: preceded by a safety alert symbol and one of three signal words, DANGER, WARNING, or CAUTION. These safety alert symbols mean:

DANGER

If you do not follow instructions, it **WILL** cause you **SERIOUS INJURY** or **DEATH**.

WARNING

If you do not follow instructions, it **MAY** cause you **SERIOUS INJURY** or **DEATH**.

CAUTION

If you do not follow instructions, it may cause you **SERIOUS INJURY** or **EQUIPMENT DAMAGE**.

- Safety Headings: such as **IMPORTANT SAFETY INSTRUCTIONS**.
- Safety Section: such as **ENGINE SAFETY**.
- Instructions: How to use this engine correctly and safely.

Thoroughly read and review this manual to know how to stay safe and get maximum benefit and enjoyment from using this engine.
