

EXHAUST VENT SMALL ANIMAL GUARD

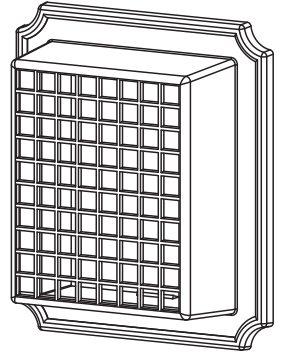

The Exhaust Vent Small Animal Guard will fit on new or previously installed Exhaust Vents.
The Small Animal Guard prevents entry of birds and other small animals.

(Exhaust Vent sold separately)

FEATURES:

- Replaces existing Trim Ring.
- Lock-On guard with integral Trim Ring eliminates trim work.
- J-Channel eliminated
- Adjusts for a range of siding thickness (.75,1.00,1.25)
- Net free area: 17 sq. in.
- Due to a potential fire hazard, this guard is not recommended for use with a Dryer Vent.

SPECIFICATIONS:

- Material: Polypropylene and Polystyrene
Fabrication: 1 piece molded construction
Packaging: 1 piece per box
Dimensions: See drawing below (all dimensions in inches)
