

HW-J5500 SOUND TOWER

PRODUCT HIGHLIGHTS

- 2.2 Channel
- All-in-one design with horn tweeter and Double Ported Woofer
- Bluetooth® connectivity

KEY FEATURES

BLUETOOTH®

Connect your Home Theater with Bluetooth® for seamless wireless control from compatible devices. Use your Home Theater System as a Bluetooth® speaker to stream music from your smartphone, tablet, or computer.

TV SOUNDCONNECT

Wirelessly connect your Giga System to your TV for a clutter-free home entertainment system. TV SoundConnect lets you instantly enjoy movies, music, and TV shows with clearer, more impactful sound.¹

CRYSTAL SOUND PLUS

Amplify your home audio system with the ultimate in sound clarity. Filter out distortion and noise for near-professional sound quality.

HDMI®

Enjoy your favorite movies, shows, and sports with higher quality audio. The HDMI® connection transmits digital video and audio over a single cable, delivering a superior entertainment experience.¹

¹ HDMI – CEC (Consumer Electronics Control) facilitates convenient control functions with compatible devices
