WEATHER PROOF

## Be protected & put the heat on crime, in crystal clear super HD

- A state-of-the-art & easy to use surveillance system with 5 Megapixels (2.4x better than 1080P Full HD) super high definition video to see every detail & protect your premises
- Set & forget by recording from 8 cameras for up to 365 days+ onto a 2TB hard drive
- Seeing is believing with four Super HD 5MP (2.4x 1080p) cameras offering 100ft/30m infrared night vision & durable construction for indoors or outdoors.
- The cameras feature state-of-the-art True Detect™ PIR motion sensors designed for security applications & optimized to reliably detect people, but also cars, large pets & other large heat-generating objects
- With more accurate motion detection you have more reliable notifications & recording, eliminating false triggers due to wind, leaves falling, bugs, rain & more, saving you hard drive space & playback time
- Save time & have peace of mind by easily locating incident video, then transfer to external storage via USB or network
- View live or playback video in high definition on your HDTV, LCD screen or monitor via HDMI connection or VGA port
- Surveillance in the palm of your hand with live viewing on Smartphone & tablets including iPhones, iPads & Android devices using the free HomeSafe View app
- Cut the cost of crime & know what's happening with this amazing Super HD security system to suit homes, apartments, front & back entrances, businesses & retail stores
