

# Easy Pour

## Adjustable Flow Watering Can

### Hinged Handle Makes Pouring Easier

This watering can offers both capacity and control. It holds 2.6 gallons yet is easy to carry and pour because of its unique handle design. Dual handles accommodate multiple hand positions-pick what's most comfortable.

The spout rotates for adjustable flow control, from a gentle shower to a steady stream. In addition, the filling hole is located on the side so the handles don't get in the way, making it easier to fill.

- Adjustable handle for comfort and control
- Adjustable flow control makes this a great can for watering both delicate and hardy plants
- Offset filling hole fits easily under spigots
- Removable rose for easy cleaning
