1. SIMPLY PRESS FOR POWER

Braun's revolutionary Smart Speed technology* allows you to modify blending speeds without interruption by simply adjusting hand pressure. The unlock button is perfect for family use.

* Not available on MQ505 model.

2. BLEND FASTER AND FINER

The patented PowerBell system blends food in a flash. Pureed mixtures stay where they belong – in the beaker, mixing bowl or stockpot.

3. TAKE HOLD OF YOUR RECIPES

Now you can chop veggies and puree your favorite soups and sauces right in the pot. The slip-proof ergonomic grip gives "comfort food" a whole new meaning.

4. HIGH-PRECISION AND DURABILITY

The high-precision German-engineered motor is evenly balanced for power and long-lasting durability, while the EasyClick buttons make changing modes a breeze.

5. EXPAND YOUR CREATIVE CHOPS

Whether you need to chop, whisk, beat, blend, shred, mash or puree, there's a Braun attachment designed to do the job.

The power of culinary creativity, in the palm of your hand.

A wide range of attachments give you the flexibility to add fresh twists to your favorite dishes. From smoothies to salsa to soup, you'll whip up new levels of creativity and take flavor to new heights.

Blending Shaft: Avoid spills without having to transfer ingredients to a pot or countertop blender.

Beaker: Prepare smoothies, blend baby food or measure, serve and store your blends.

Whisk: Beat eggs, emulsify sauces and whip cream with ease.

Masher: Turn potatoes and other veggies into silky-smooth purees with no chunks in sight.

Chopper with Chopping Blade: Chop and mince ingredients without a knife.

French Fry Tool: Turn whole potatoes into French fries at home.

6-cup Food Processor: Efficiently process ingredients for quick and easy meal prep.

Comes equipped with the following tools:

- **Julienne Insert:** Quickly cut vegetables into long, even strips.
- **Fine and Extra-Coarse Shredding Inserts:** Simplify shredding with interchangeable inserts.
- **Slicing Insert:** Slice whole fruits and vegetables effortlessly.
