PRODUCT NAME: 10ft.Vinyl Archway Corner Bead

**USAGE GUIDE:**

Phillips gripSTIK® MAX-Flex® vinyl archway bead is designed for maximum flexibility as our unique design allows it to conform to almost any radius. Phillips unique MAX-Flex® cut features 'Y' shaped slits on the notched flange allowing for ultimate flexibility without kinking. This product features many perforations, deeply knurled mud anchors, and the entire product is specially textured which all greatly enhance paint and mud adhesion. It is recommended to use high tack spray adhesive, possibly in conjunction with either nails or staples, for quick and easy installation. The standard flange length for this product is 1-1/4".

Some of the most common applications of 10ft. Vinyl Archway Corner Bead include:
