

## Plug into Convenience

Expand convenience and holiday sales with Leviton's Plug-In Switch. This Plug-In Switch adds the convenience of an extra wall switch to any outlet making it easy to turn ON and OFF lamps and appliances. The Plug-In Switch sports a contemporary look and is made of impact resistant thermoplastic so it is rugged as well as good looking. And unlike other plug-in switches that have a small toggle type switch; it features a larger rocker style switch for easy ON/OFF switching.

### **At-the-Wall Convenience to Save Time, Money and Energy**

The Plug-In Switch is a handy, time-saving way to switch ON and OFF lamps, appliances, electronics and other 3-prong equipment. Use to conserve electricity by turning off electronics that draw standby (vampire) power or as a cost effective way to easily turn ON and OFF holiday lights.

### **Available in Space Saving Packaging**

The Plug-In Switch is available in blister card and rack pack packaging options in white, ivory and black.
