RIDGID - WD0970

9 Gallon High Performance Wet/Dry Vac

The RIDGID[®] 9 Gallon High Performance Wet/Dry Vac is designed for DIY'ers who want a traditionally styled, compact vac that delivers the powerful performance and rugged durability required for job site clean-up. This vacuum has a 9 gallon drum size that results in a more compact design that requires less storage space on a service truck or in a work shop or garage. And its top carry handle makes transporting easier than ever. It features the Patented Qwik LockTM Filter Fastening System that makes installing or removing your filter quick, easy & secure.

| FEATURES | BENEFITS |
|---|--|
| • 3.5 Peak Hp Motor | Delivers the required power for efficient clean up of large messes. |
| • 9 Gallon drum | Provides capacity for clean-up of spills & messes at job-sites and busy shops. |
| 4 Swivel Casters | Provide easy 360° mobility |
| On-board Accessory Storage | Four built-in accessory storage pockets – 1 on each caster foot. |
| | No more searching or fumbling to find accessories |
| Lower Center of Gravity | Design lowers the center of gravity to help prevent tipping. Compact design stores more easily. |
| 1-Layer Standard Filter | Pleated paper filter captures common everyday dirt. |
| Tug-A-Long[®] Locking Hose | Positively locks 7-foot hose to the vac. Hose won't pull loose during use. |
| Top Carry Handle | Large top mounted carry handle for easy transporting . |
| Included Accessories | 1-7/8" x 7' Tug-A-Long [®] Locking Hose, 2 Extension Wands, Utility Nozzle, Wet Nozzle, |
| | & 1-Layer Paper Pleated Filter |
