

This Midea 3.1-cu. ft. compact refrigerator offers separate refrigerator and freezer sections, as well as much more. With its Energy Star rating, the unit helps keep food and drinks cool, along with low electrical costs of operation. This compact unit is a great solution in various locations, such as bars, offices, recrooms, apartments, and more. It is a design-friendly unit, as the door swing can be reversed to fit comfortably in your room layout. You'll have no problem keeping the contents organized with the interior lighting and shelving system. This high-efficiency unit can be an innovative addition to your kitchen space.

Adjustable Glass Shelf

- Concerned about your lemonade pitcher being too tall? No problem. Midea's adjustable glass shelf can be changed to various heights, solving all of your organizational needs.

Mechanical Temperature Control

- Adjust your refrigerator's internal temperature simply and precisely with an easy-to-use dial located inside the unit.

Built-In Can Storage

- Cans will no longer clutter your main cabinet space. The compact refrigerator offers a convenient, in-door can storage space; making space on the main shelves for your other treats.
