

GORILLA HOT GLUE STICKS

For the Toughest Jobs on Planet Earth®

Incredibly tough and versatile, Gorilla Hot Glue Sticks provide a long term hold even on hard to bond surfaces. The clear adhesive works with both high and low temperature glue guns and features an extended working time for added convenience for all types of projects. Gorilla Hot Glue is also weather-resistant and incredibly durable, keeping your projects safe from seasonal temperature swings that can cause other glues to fail.

Incredibly Durable

For projects that last.

Weather Resistant

For indoor and outdoor use.

All Temperature

Safe for both high and low temperature glue guns.

- High Temperature for Strong Bonding:
Wood, Plastic, Metal, Glass & More!
- Low Temperature for Delicate Materials:
Floral, Fabric, Foam, Jewelry & More!

45 Second Extended Working Time

Versatile

Works on hard to bond surfaces like metal and glass.

Impact-Tough®
