

Feel right at home  
with your new refrigerator.

## Samsung Elite Service Program

Complimentary in-home tutorial  
with a Samsung refrigeration expert.

Learn more about your refrigerator's Convertible Zone operation and settings, water & ice dispensers, water filter, refrigerator & freezer temperature settings, refrigerator & door leveling, and the storage flexibility of the slide-in shelf.

How to register:

1. Check service availability at [samsung.com/eliteservice](http://samsung.com/eliteservice) or by calling 888.480.5674.
2. Purchase a new Samsung RF32FMQDBSR refrigerator.
3. Register within two months of purchase and receive one complimentary visit and exclusive hotline access (888.480.5674).

Product must be registered within two months of purchase and before 12/31/2013.  
Offer valid only where Samsung exclusive engineers are available.
