

## Malta Collection

Relax in comfort with the Malta Collection from Hanover. Collection offerings include a high-dining design, as well as a deep-seating group - both on trend with low-profile frames that are perfect for scaling large or small spaces. Hanover is known for designing quality outdoor furniture that is built-to-last year after year, and the Malta Collection is no different. The heavy-duty steel frames are finished with a multi-step powder coat that provides reliable resistance to weather, rust, and corrosion. Strands of rich, all-weather resin are woven by hand, creating an intricate open-weave texture that naturally catches the eye and exudes high-end craftsmanship. The cool, blue fabric cushions contrast beautifully against the rich brown frames and keep you comfortable as you enjoy your time in the sun.
