Instructions & Assembly

Forged Fruit Harvest Tools
A120, B120, B120L, B140

INSTRUCTIONS: Place the cutting target as deep into the blade opening as possible, and then squeeze the handles together in a smooth motion. Do not exceed the rated diameter cutting capacity. Lubricate moving parts with food-grade oil, such as Barnel USA® B-OIL (sold separately). Store in a dry location. Included leather palm/wrist strap may be utilized for continuous harvesting.

NO ASSEMBLY REQUIRED.

⚠️ Always use appropriate personal protective equipment.
Refer to the warnings and safety information provided with the product.
