

7282 MONTESA

Wear

This carpet is guaranteed to withstand the wear and tear of daily life. Built to perform, this carpet offers strength from face fiber to secondary backing.

Backing Performance

Carpet tiles are manufactured to provide dimensional stability and will not delaminate from face fiber or edge ravel. Our Backing Performance warranty guarantees that the backing on this product will not shrink, grow, cup or dome, which ensures easy installation and product longevity.

ASTM E648 Class I

This product has passed the standard test method for critical radiant flux of floor-covering systems using a radiant heat energy source and meets the standards as defined within ASTM E648.

The natural characteristics of geometric or linear patterns in carpet tile can result in double-dark or double-light lines at the seam and to some degree a pattern run-off or bias. This is not a manufacturing defect. These characteristics should always be taken into consideration when choosing the installation method of a modular carpet. While select styles are offered in both modular and broadloom formats, they are not an exact match since the equipment used in the manufacturing of both patterns are entirely different. Product image colors may vary due to print processes and monitor display settings.
