

O2+ | HALO

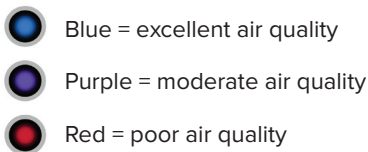

Air Purifiers

The Brondell O2+ Halo is a compact, affordable air purifier that quietly purifies your air for a healthier, cleaner home.

Versatile and efficient, the Halo automatically monitors air quality, adjusting the fan speed accordingly. Its three-stage purification system meets the strictest industry standards, removing 99.7% of particles as small as 0.3 microns with trueHEPA filtration.

- Three-Stage Air Purification
- Air Quality Indicator

- Seasonal Allergy Setting
- Auto Mode
- Adjustable Fan Speed
- Filter Change Indicator
- Auto Off Timer
- Quiet Operation
