

Care and Maintenance of Your Whitehaus Collection® Product

Stainless Steel Basins: Clean sink weekly with mild soap and water. Wipe the entire surface dry with a dry, clean, soft cloth after each use. Do not use cleaners which contain acids, harsh chemicals, or abrasives. Use a steel wool pad to remove minor scratches, rubbing with the grain in one direction only. Avoid prolonged contact with heavy salt concentration.

Brass Basins: Clean sink with mild brass cleaner and a soft, clean cloth. Wipe the entire surface dry with a dry, clean, soft cloth after each use. Do not use cleaners which contain acids, harsh chemicals, or abrasives.
