Dream Backyard Easy**
With Beautifully Designed Cedar Backyard Kits

OLT

Cedar For Life

How to Order

Please visit us at www.outdoorlivingtoday.com to place your online order and add your optional details. Shipping is always free!
Our website also contains valuable information such as assembly instructions, site prep suggestions, testimonials and a picture contest for finished projects!

Free Shipping

Getting your kits is easy and you don't pay for shipping – we arrange all the details! We will personally call you to update you on delivery schedules!
All of our kits are manufactured and shipped within North America. They will ship on a fully contained pallet direct to your curbside or driveway.

Satisfaction Guarantee

Shop at OLT with complete confidence. We stand behind our products with our satisfaction guarantee.

Testimonials

“Products were just as were presented on-line. All arrived in good shape. Company representatives/owner were very friendly and helpful with questions. My experience would definitely warrant a recommendation to others to purchase their items”
Dale, Portland, Oregon

“The staff at OLT provided the perfect combination of professionalism with a real friendly attitude. Response to correspondence was excellent. The end result was a purchase that resulted in happy customers.”
Dave, Woodbridge, Ontario

“Best customer service, best product, quality, instructions, final product and a personalized gift to top it all. Great pricing. Great delivery service, very accurate. Would recommend to anyone without hesitation.”
Catherine, Montreal, Quebec

“We were very pleased with the pergola. It has been a wonderful addition to our backyard patio. Service was great, the wood is lovely and the canopy had been fantastic too! Thank you!”
Allison, Toronto, Ontario

“I felt immediately that I had picked the right company. I liked the phone call and felt great that it was from Canada. Wood from Canada makes sense. The shed looks awesome. I enjoyed putting it together. Thanks, I will use you again.”
Grant, Minneapolis, Minnesota

“Wonderful experience! Ordering - easy! Delivery - fast! Assembly - easy and fast! Looks great in my backyard and i love having my tools there instead of the garage.”
Linda, Devine, Texas
