## Specification Sheet

### Mother of Pearl Nacre 3D Series Pearl Tile

This captivating mother of pearl tile is artfully arranged in a 3D square pattern. The pearl shell will add a durability and lasting exquisiteness to your kitchen or fireplace installation. These tiles are mesh mounted and will bring a sleek and contemporary design to any room. This tile in particular does not require grout. Due to the nature of the pearl shell, slight variations in color and size may occur from lot to lot. Pearl shell mosaics cannot be installed in an area that is submerged in water.
