# Did you remember to close your garage door?

Closed Confirm™ Remote Used **Exclusively** with Revolution Series™ 1000, 1200, 1500 Garage Door Openers

Introducing the **Closed Confirm™** remote; an innovative accessory from Genie® that answers the nagging question as you drive away from home, *"Did I remember to close the garage door?"*

Once your garage door closes, the Closed Confirm remote emits a beep and a green light will flash as an assuring confirmation.

If the garage door does not close properly, a warning tone will sound and a red light will flash.

No more wondering whether you should turn around and go back. This unique feature provides additional convenience, security and peace of mind for every outing.
