SETTING UP INSTRUCTIONS

SETTING UP THE DEHUMIDIFIER

WARNING No not obstruct the air intake or air outlet IMPORTANT Place dehumidifier in the upright position. When transporting a dehumidifier to site, allow the dehumidifier to stand for 30 minutes before switching ON. This is necessary to allow the refrigerant system to stabilize and avoid system damage.

PLACE IN ENCLOSED AREA: For best results, operate the dehumidifier in an enclosed area to create a "drying chamber." Close all doors and windows that open to external areas to maximize the dehumidifier's water removal efficiency. Keep traffic through the drying chamber to a minimum. Place the dehumidifier in the center of the room away from walls and furnishings where airflow may be obstructed.

PROPER AIRFLOW IS ESSENTIAL: Do not place this dehumidifier in a position where the front Air Intake Grill or rear Air Outlet is blocked by walls, furniture or any other obstruction.

SETTING UP INSTRUCTIONS

Illustration of correct positioning for best performance

ENSURE PROPER DRAINAGE: This dehumidifier contains a built-in pump that connects to a drainage hose which is stored in the back of the unit. Uncoil the entire hose to ensure that there are no kinks or restrictions and place the unattached end into a drain or run to the outdoors. Ensure that water piped to the outdoors does not create a slipping hazard. To avoid damaging or overworking the pump, do not exceed a 10 foot vertical lift height between the pump and drain.

CONTROL PANEL

Digital Control Panel

- (b) ON/OFF: Press once to turn the unit ON or OFF.
- **PURGE:** Press the "PURGE" key to empty water from the pump reservoir. During normal operation the pump purges automatically when the reservoir is full. Use "PURGE" before moving the machine to avoid water spillage. The pump will close automatically after forty seconds continuous operation.
- **FUNCTION:** Press the **"FUNCTION"** key, The screen will display 'Humidity setting' 'Ambient humidity' 'Total running hours' 'Ambient temperature'.
- () **REGULATE:** Press **"REGULATE"** key to adjust humidity or set total running hours and job hours or setting fahrenheit and centigrade.

Long press **"REGULATE"** key 5 seconds, The coil sensor temperature will display. The screen will return to display ambient humidity after coil sensor temperature cursor flashing 3 seconds.

CONTROL PANEL

The LCD displays symbols

- Chehumidify ON.
- 🔅 : Defrost ON.
- √ : Draining.
- App : Fan start up.
- 🔠 ^{SH%} : Setting humidity.
- - : Ambient humidity.
- 8888 h : Total running hours.
- O \rule{O} $\rule{O} \\ 0 \\ \rule{O} \ 0 & \rule{O} \ 0 \\ \rule{O} \ 0 & \rule{O} \ 0 \\$

• Plug in electrical cord

This dehumidifier must be plugged into a grounded polarized 115 VAC/60Hz outlet rated at least 15 amps. Make sure the drain hose is connected and routed to a safe location.

Plug in electrical cord, The screen will display standby:

• Turn the unit ON

Press the "ON/OFF" key to turn the unit on.

If humidity setting is less than ambient humidity, the unit will entry to dehumidify mode. The screen will display:

If humidity setting is greater than ambient humidity, the unit will stop working after started 1 minute.

• Turn the unit OFF

Press the **"ON/OFF"** key to turn the unit OFF. When the unit turns OFF, The water pump will turn on automatically for 40 seconds to drain the residual condensate water in the dehumidifier. The screen will appear draining \bigvee cursor.

IMPORTANT:

To avoid water spillage. Do not move the dehumidifier for at least three minutes after turning the power off. Before transporting, be sure to remove the external drain hose, drain it carefully, and return it to the pocket provided on the back of the unit.

WARRANTY

Ventamatic, Ltd. extends this warranty to the original retail purchaser of its model or, if this unit is purchased and installed by a building contractor, then to the original owner of the home. No subsequent purchaser of the unit or of a home in which it is installed is entitled to any of the benefits of this warranty.

This product is warranted against defects in materials and workmanship for a period of one (1) year from the date of original retail purchase. No other parts or components are warranted. There is no warranty for defects caused by abuse, faulty installation, or the like. Repairs or replacement parts supplied under this warranty are warranted only for the period of this warranty; that is, one (1) year from the date of the original retail purchase of the unit.

In the event of a defect or malfunction, we will replace or repair the defective part or component only and return the new or repaired part to you freight prepaid. You must bear all other expenses incurred in obtaining repairs, including labor required for field repair or replacement, and the cost of shipping the defective part to us. You must also bear the cost of repair to or replacement of any part or component and the shipping charges incurred for the repair or replacement and return to you of any part or component not covered by this warranty, including parts or components damaged by you.

The company reserves the right to demand and receive written evidence of the date of purchase before undertaking to perform its obligations under this warranty. You should, therefore, retain your sales slip and attach a copy of it to the warranty claim. In order to obtain the repair or replacement of this unit, you must select one of the following methods:

A. Return to factory.

- 19 -

Return postage prepaid only the part or component which you believe to be defective to the following address:

Ventamatic, Ltd 100 Washington Street Mineral Wells, TX 76067

WARRANTY (CONT.)

Complete and enclose a written claim and attach a copy of your sales slip or other proof of purchase.

B. Return to retail dealer.

If the retail dealer from whom you purchased this unit stocks replacement parts or components, you may return a part or component which you believe to be defective to that dealer for replacement.

Caution: Only a limited number of our retail dealers stock replacement parts. If your dealer does not, you must return the part to the factory following the procedure described in paragraph "A" above.

There is no informal dispute settling mechanism available in the event of a controversy involving this warranty.

Any and all implied warranties which may exist terminate upon the expiration of this warranty one (1) year from the date of the original retail purchase. Some states do not allow limitations on how long an implied warranty lasts, so this limitation may not apply to you.

Ventamatic, Ltd. is not liable to you for incidental or consequential damages arising out of a defect or malfunction of a unit or its installation or out of any alleged breach of this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so this limitation may not apply to you.

This warranty gives you specific legal rights and you may also have other rights which may vary from state to state.
