2. Using the template, cut out the shapes from scrapbook paper.
3. Apply a coat of Mod Podge to the back of the mirror and back of the papers.
4. Position the papers onto the mirror. Press with your fingers to smooth any air bubbles.
5. Top-coat with a layer of Mod Podge.
6. Add a layer or two of Mod Podge Sparkle to add a glitter finish. Let dry.
7. Hot glue trim around the mirror, glue the additional 3" in the form of a flower stem.

9. Crinkle the flowers and open flat onto the wax paper.
10. Working with Extreme Glitter Hologram, coat each one with either a thick layer of glitter, a dollop of glitter in the center or glitter around the edge. Let dry, then peel from the wax paper.
10. Hot glue the flower circles together in the center.
11. Hot glue a large gem in the center.
12. Glue the flower to the mirror just above the trim stem.
