

# SPLASHBACK TILE

## Specification Sheet

### Gemini 1x1 Series Glass Tile

This striking glass can make any room aesthetically appealing. The wavy finish brings a distinctive design and will add a nice touch for a contemporary and modern room. This tile is great to use for the bathroom or kitchen installation. Exposure to moisture will cause metallic paint to discolor. Not suitable for outdoor, pool or shower installation. Due to the nature of glass, a slight amount of variation in color and size can occur from lot to lot.
