

DISCOVER ZIP SYSTEM® SHEATHING & TAPE

ZIP System® sheathing and tape is an innovative structural roof and wall system with an integrated water resistant and air barrier that streamlines the weatherization process and transforms it with a simple two-step installation. Just put up the panels and tape the seams. ZIP System™ tape is so easy it turns taping into a one-man job; and so fast, it installs 40% quicker than housewrap.

INSTALLATION SPEED AND EASE

ZIP System® sheathing and tape is easier to install than traditional housewrap and felt, helping to save money on labor costs and improve project cycle times.

SUPERIOR MOISTURE PROTECTION

By achieving optimal levels of permeability and drainage, ZIP System® sheathing and tape protects against water intrusion while still allowing the panels to properly dry.

SUPERIOR AIR PROTECTION

ZIP System® sheathing and tape forms a tight barrier against unwanted air leakage, creating a durable building envelope that promotes energy efficiency and increases interior comfort.

STRUCTURAL DURABILITY

ZIP System® panels are available with a Structural 1 rating, so you can get shear strength to meet seismic and high-wind-zone requirements. See HuberWood.com for details.

OUTSTANDING ADHESION, RESILIENCE AND EFFICIENCY

ZIP System™ tape is made with an advanced acrylic adhesive proven to deliver a superior airtight and watertight seal that can withstand years of harsh weather.

SUPERIOR WARRANTY

Performance backed by 30-year system limited warranty and 180-day exposure guarantee.*
