

Warranty Certificate

J & H LED agrees to maintain a warranty on all fixtures for a period of 5 years. This warranty includes full replacement coverage on any defect of any LED fixture. The warranty does not include cosmetic damages as the result of outside forces or acts of God. All non-LED fixtures will have the same coverage but exclude any standard light bulbs that were included in the price of the fixture at no extra charge. All fixtures will stay in good working order and maintain their brightness for the entire warranty period, or they will be replaced at no cost.
