

**JUST DRILL
AND FILL!**

Fix-A-Floor®

BONDING ADHESIVE FOR LOOSE & HOLLOW TILE, MARBLE, STONE & WOOD
www.fixafloorworldwide.com

FIX-A-FLOOR REPAIR ADHESIVE 10.1 oz. Tube

Fix-A-Floor Repair Adhesive is the revolutionary
NEW way to fix Loose, Hollow & Squeaky
Flooring. Don't Remove or Replace, Just
Drill & Fill... Great for small or large areas!

FEARURES & BENEFITS:

*Fix-A-Floor Repair Adhesive is specially formulated water based; co-polymer adhesive tested by the Tile Council of North America (TCNA's) Product Performance Testing Lab for the ASTM C482 Modified Bond Strength Test. Fix-A-Floor Repair Adhesive shows super bond strength of 130-135psi.

*Does not foam or expand, remains elastomeric moves with natural expansion & contraction of sub floor and will not crack and loose its bonding power.

*Patented pre-drilled tip allows for narrow or no grout line applications. Works on all tile, marble stone & wood flooring.

*For use with a standard caulking gun.

*Dries clear within 24hrs.

*Guaranteed for the life of your floor.
