

Limited Lifetime Warranty On All Moduline Cabinets

Congratulations on your purchase of Moduline® cabinets! For over 25 years, Moduline has proudly been manufacturing the **best metal garage cabinets** and enclosed trailer cabinets available. Originally popular with race car enthusiasts who wanted professional grade cabinets for their garage, shop, or racing trailer, our products quickly caught on with government, the military, and a whole host of other customers that were looking for durable and well crafted products. We continue to maintain our excellent reputation because we only ship products that meet our strict standards for workmanship and quality. That means that we still make our products in the USA and will never compromise our standards for quality. As a result, we feel fully confident in offering our customers a lifetime warranty on our cabinets.

What The Warranty Covers

Moduline's garage and trailer cabinets are professional grade with a designer appearance and delivered as promised. While all our products do have a designer appearance, their value goes beyond aesthetics. All Moduline products are designed to endure the rigors of real everyday use and work in a demanding environment. Consistent with these promises, Moduline® cabinets are warrantied to the original owner against defects in manufacturing, materials and workmanship for the lifetime of the product. If a product fails due to a defect we will provide replacement parts, repair the cabinet or replace it, at our discretion. This warranty covers products manufactured by Moduline® on or after August 15, 2013

What The Period Of Coverage Is

Moduline® cabinets are warrantied for the lifetime of the product under the original owner; from the purchase date until the day they are taken out of service. As long as you own the product, it is covered by our warranty.
