KITCHENAID® CLASSIC 5 SPEED BLENDER

KSB1570

EXCEPTIONAL PERFORMANCE

- EXCEPTIONAL BLENDING SYSTEM
A robust motor, unique one-piece, BPA-Free pitcher, patented stainless steel blade and electronic controls combine to create an exceptional blending system that is fast, consistent and powerful for perfect results, every time.
- 5-SPEED BLENDER
Five speeds, along with an Auto Crush Pulse mode, provides consistent, powerful blending for all tasks – from frozen drinks to ultra smooth purees. The Automatic crush mode pulses at staggered intervals to uniformly crush a pitcher of ice in seconds.
- INTELLI-SPEED™ MOTOR CONTROL
Automatically adjusts the blade speed to blend through all densities of food, at peak power, even when the thickness of the ingredient changes.
- SOFT START® FEATURE
Designed to help prevent splattering.
- DURABLE STEEL REINFORCED COUPLER
Coupler with 12 interlocking teeth provides direct transfer of motor power to the blade. The coupler is coated for quiet operation.

ENDURING DESIGN

- 56 OZ BPA FREE BLEND AND SERVE PITCHER
is one-piece, shatter resistant and lock-in-place, with a patented, stainless steel built in blade for thorough blending and smooth pouring. Pitcher also features a comfortable, non-slip grip handle and lid with 2 oz. ingredient cap. Dishwasher Safe.
- CONTROL PANEL
Blue LED lights make it easy to choose your designated speed. The clean touch control panel wipes clean easily after each use.
