Take your locals on the go

Don't have Sling TV? No problem, AirTV also works with the free AirTV app, so you have the freedom to watch your favorite local OTA channels in HD wherever you are.

AirTV connects a single over-the-air (OTA) antenna with your home Wi-Fi network to seamlessly stream local OTA channels in HD throughout your house, and even outside the home.

Device limited to 2 streams at one time. Only 1 stream can be used outside of the home network.

What you'll need

- Android or iOS mobile device (phone or tablet) for setup
- Over-the-air (OTA) antenna and coaxial cable
- Broadband internet access with Wi-Fi for streaming
- Media streaming device to watch on a TV
- Sling TV or AirTV app to access your channels
