For decades, the KitchenAid® Artisan® Stand Mixer has been a household staple and culinary icon. It's empowered throngs of epicureans and created a cult brand. **KitchenAid is excited to introduce the Artisan® Mini - a new and innovative addition to the KitchenAid® Stand Mixer family.** With the launch of the new Artisan® Mini, there is now a smaller mixer that takes up less counterspace, is lighter in weight so you can easily move it around your kitchen and has the same iconic design and power as our other tilt-head stand mixers.

YOUR SMALL SPACE CULINARY SOLUTION

The NEW Artisan® Mini Stand Mixer is **20% smaller and 25% lighter***, making it the ideal culinary tool for smaller spaces and kitchens. The **compact size and lighter weight** perfectly suit the needs of a city dweller who loves to cook in their smaller spaces. Artisan® Mini is made for your lifestyle, made for your kitchen, made for you.
