

ONE TOUCH ADJUSTABLE HOSE NOZZLE

AJHN100-QC-2

Using the One Touch Adjustable Nozzle

The AQUA JOE One Touch Adjustable Nozzle adjusts from intense jet to gentle spray in one smooth move with simple thumb control.

1. Attach the One Touch Adjustable Nozzle to the hose. Tighten securely (Fig. A).
2. To decrease One Touch Adjustable Nozzle spray intensity for a wide, gentle spray, slide down (-) on the throttle control with thumb, as shown. For a more powerful and precise jet stream, slide throttle control up (+) (Figs. B – D).
