

Well Cover Installation Instructions

1. Place window well cover over well.

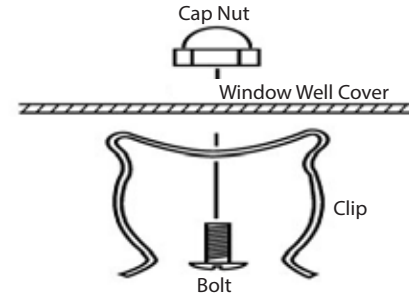

2. Mark position of holes for clips on center of well rim with a marker on the window well cover. Two (2) clips on each side and one (1) clip on the front of the well.

3. Remove window well cover and drill a 3/16" hole at each marked location on window well cover. Do not drill window well cover when cold, window well cover should be at room temperature when drilling.

4. Mount clips to window well cover using bolts, and cap nuts provided. IMPORTANT! Put bolt through clip and cover. Secure using cap nut that has been provided (See diagram below).

5. Snap window well cover onto rim of window well. Adjust spring clips by loosening or tightening cap nuts. The window well cover should be easy to remove for cleaning and ventilation.

6. If your window projects above the window well, please see your Shape Products, LLC. dealer about a dome cover option.

Cleaning Instructions: Window well covers may be cleaned with a mild non-abrasive solution of detergent and water. The use of harsh chemicals, solvents, abrasive rags or scrubbers may damage the cover and void the warranty.

Shape Products, LLC warrants its Egress Window Well Covers for a period of seven (7) years from the dated of purchase. This warranty only extends to the original purchaser. This warranty does not apply to damage from accident, misuse, normal wear, alteration, improper installation, improper maintenance, abuse or excessive weather damage. Any implied warranties which the purchaser may have are limited in duration to seven (7) years from the date of purchase. Some states do not allow limitation on how long any implied warranty lasts, so the above limitations will not apply in those states. Shape Products, LLC. will replace a window well cover with a manufacturer's defect free of charge, (except for dealer labor and shipping). Contact Shape Products, LLC. Via phone or email listed below (or see your Shape Products, LLC. dealer) to obtain service under this warranty. Note proof of purchase and pictures of damage is required, and replacement is the sole remedy of purchaser under this warranty. Shape Products, LLC. will assess proof to determine whether a replacement is warranted. In no event shall Shape Products, LLC. be liable for any incidental or consequential damages, losses, or expenses. Some states do not allow exclusion of incidental or consequential damages, so the above limitation or exclusion may not apply in those states. This warranty gives specific rights and rights may vary per state.
