CARE AND CLEANING

For best results in caring for your stone top, we suggest:

- Always wipe off spills immediately.
- Seal the stone top regularly with a good quality stone sealer.
- Never use strong / abrasive cleaner. Always test your cleaning solution on unnoticeable areas before applying to the entire surface.
- Wipe surfaces clean, immediately after applying cleaner.
- Do not allow cleaner to sit or soak. Never let cleaners sit on the surface of the stone for long periods of time.
- Use a soft, dampened sponge and cloth. Never use an abrasive material such as brush or scouring pad to clean surfaces. They will scratch the surface of the stone top and lavatory.
- Always rinse and wipe clean the fixtures to prevent soap buildup.

Clean the **metal surface** of your JSG *Oceana* furniture with mild soap and warm water. Rinse and dry with a dry towel to restore luster. (Use an old toothbrush to get dirt in difficult to reach places). Polish the **wood surface** of your JSG *Oceana* furniture with wood furniture polish. Clean the **mirror or glass surface** of your JSG *Oceana* furniture with warm water used with a soft cloth. If you use a commercial glass cleaner, choose one that does not contain ammonia or vinegar. Do not spray cleaner directly on the glass or mirror surface. Apply the cleaner to a soft cloth and use that to wipe the glass or mirror. Make sure no commercial product comes in contact with the mirror backing as it can cause damage to the mirror. Avoid products that contain abrasives or harsh chemicals that can scratch and discolor your furniture.
