

Stone Breaker Exchange Procedure

At StoneBreaker, we think our gloves are the best in the world and we stand by our quality and workmanship 100%.

The quickest method for exchanging your defective product is to contact the Retailer where the glove or product was originally purchased.

If retailer will not honor your request for an exchange, and the issue is something we would consider a defect in materials, packaging or workmanship, we will exchange the product for the same product OR (in the case of discontinued products) a similar product at an equal or greater value. (NOTE: Defects do not include damage caused by accident, improper care, negligence, normal wear and tear, or the natural breakdown of materials over extended time and use.)

We also acknowledge that occasionally, our gloves will wear out. When this happens, your “old pair” is considered a 50% off coupon towards a new pair on a direct exchange with StoneBreaker. Simply send us your old pair and a completed Loyalty Exchange Program form from our site and we will send you a brand new pair of StoneBreaker gloves.

Please send the product to us for inspection at:
