Rain Barrel Stand

Designed for the RTS Flat Back Rotomolded Rain Barrel, these stands lift the barrel off the ground making the spigot readily accessible for the hose or watering can.

Rain Barrel Stand
5510-00200-80-XX

Specifications:

Length: 27"
Width: 20"
Height: 11"
Weight: 6lbs

Only available in black
Ships in a box

- Create a larger offset between the rain barrel spigot and the ground with an RTS Home Accent Rain Barrel Stand.
- The rain barrel stand makes it easier to fill watering cans and for general use of your rain barrel.
- The tough rigid design holds the weight of a full RTS Flat Back 50 Gal rain barrel.
- Manufactured from tough and rigid polyethylene
