

# ASSEMBLY INSTRUCTIONS

1. Carefully lay out all parts in a line on a smooth surface.

2. Install bulb(s) (not included)

**CAUTION** - Refer to the wattage caution label located near the lamp holder for the maximum wattage-do not exceed the listed wattage.

3. Gently insert the lily shades into the lamp holders separately.

**WARNING** - Do not attempt to replace the bulb while the lamp is plugged into a wall receptacle.

5. Insert plug into wall receptacle.

**Note:** 1. The above diagram illustrates the installation of your new luminaire. This is a representative drawing and is not intended to match the style of your luminaire.

2. This is a large item, for your safety and the item integrity the assembly requires two persons. Carefully remove all items parts with help.

## IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless the plug can be fully inserted. Do not alter the plug.
