## SECTION 1: Identification

### 1.1. Identification

<table>
<thead>
<tr>
<th>Product form</th>
<th>Mixtures</th>
</tr>
</thead>
<tbody>
<tr>
<td>Trade name</td>
<td>Amdro Quick Kill Mosquito Yard Spray</td>
</tr>
<tr>
<td>Synonyms</td>
<td>100530440; UPC #: 8-13576-00430-9; EPA Reg. No.: 279-3347-90098</td>
</tr>
</tbody>
</table>

### 1.2. Recommended use and restrictions on use

- **Recommended use**: Insecticide.
- **Restrictions on use**: Avoid contact with eyes, skin or clothing, Keep out of reach of children, Avoid release to the environment, Avoid inhalation of vapors or fumes.

### 1.3. Supplier

Central Garden & Pet Company, Garden Division
1000 Parkwood Circle, Suite 700
Atlanta, GA 30339 - United States
www.amdro.com

### 1.4. Emergency telephone number

- **Emergency number**: 1-800-265-0761
- 1-800-424-9300 - CHEMTREC
- 1-703-527-3887 - CHEMTREC - Outside North America - Collect Calls Accepted

## SECTION 2: Hazard(s) identification

### 2.1. Classification of the substance or mixture

- **GHS-US classification**: Serious eye damage/eye irritation Category 2A
  - Causes serious eye irritation

### 2.2. GHS Label elements, including precautionary statements

- **GHS-US labeling**
  - **Hazard pictograms (GHS-US)**: ![GHS pictogram](image)
  - **Signal word (GHS-US)**: Warning
  - **Hazard statements (GHS-US)**: Causes serious eye irritation
  - **Precautionary statements (GHS-US)**: Wash hands, forearms and face thoroughly after handling
  - Wear protective gloves/protective clothing/eye protection/face protection
  - If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing
  - If eye irritation persists: Get medical advice/attention

### 2.3. Other hazards which do not result in classification

- **Other hazards not contributing to the classification**: This pesticide is extremely toxic to fish, aquatic invertebrates including oysters and shrimp. Under United States Regulations (29 CFR 1910.1200 - Hazard Communication Standard), this product is considered hazardous.

### 2.4. Unknown acute toxicity (GHS US)

- **Not applicable**

## SECTION 3: Composition/Information on ingredients

### 3.1. Substances

- **Not applicable**

### 3.2. Mixtures

- **Not applicable**
Amdro Quick Kill Mosquito Yard Spray
Safety Data Sheet

**SECTION 4: First-aid measures**

4.1. **Description of first aid measures**

First-aid measures after inhalation

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

First-aid measures after skin contact

IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical advice/attention.

First-aid measures after eye contact

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice and attention.

First-aid measures after ingestion

IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell. Rinse mouth. Do NOT induce vomiting unless directed to do so by medical personnel.

4.2. **Most important symptoms and effects (acute and delayed)**

Symptoms/effects after eye contact

Irritation to eyes.

4.3. **Immediate medical attention and special treatment, if necessary**

This product is a pyrethroid. If large amounts have been ingested, the stomach and intestines should be evacuated. Treat symptomatically and supportively.

**SECTION 5: Fire-fighting measures**

5.1. **Suitable (and unsuitable) extinguishing media**

Suitable extinguishing media

Unsuitable extinguishing media

Avoid heavy hose streams.

5.2. **Specific hazards arising from the chemical**

Reactivity

The product is non-reactive under normal conditions of use, storage and transport.

5.3. **Special protective equipment and precautions for fire-fighters**

Firefighting instructions

Do not allow fire fighting water to escape into waterways or sewers.

Protection during firefighting

Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing.

**SECTION 6: Accidental release measures**

6.1. **Personal precautions, protective equipment and emergency procedures**

6.1.1. **For non-emergency personnel**

Emergency procedures

Ventilate spillage area. Avoid contact with skin and eyes.

6.1.2. **For emergency responders**

Protective equipment

Do not attempt to take action without suitable protective equipment. For further information refer to section 8: “Exposure controls/personal protection”.

6.2. **Environmental precautions**

Do NOT wash away into sewer. Avoid release to the environment.

6.3. **Methods and material for containment and cleaning up**

Methods for cleaning up

Absorb spills with an inert material, clay granules or other inert absorbent material and put in container for disposal. Wear appropriate personal protective equipment, avoid direct contact.

**SECTION 7: Handling and storage**

7.1. **Precautions for safe handling**

Precautions for safe handling

Ensure good ventilation of the work station. Avoid contact with skin and eyes. Wear personal protective equipment.

Hygiene measures

Do not eat, drink or smoke when using this product. Always wash hands after handling the product.

7.2. **Conditions for safe storage, including any incompatibilities**

Storage conditions

Incompatible materials

Heat, sparks, open flame.
**SECTION 8: Exposure controls/personal protection**

### 8.1. Control parameters

No additional information available

### 8.2. Appropriate engineering controls

Appropriate engineering controls: Adequate ventilation systems as needed to control concentrations of airborne contaminants below applicable threshold limit values.

Environmental exposure controls: Avoid release to the environment.

### 8.3. Individual protection measures/Personal protective equipment

**Hand protection:**
Protective gloves

**Eye protection:**
Chemical goggles or face shield.

**Skin and body protection:**
Wear suitable protective clothing

**Respiratory protection:**
In case of inadequate ventilation, avoid breathing vapors or mist, wear a NIOSH approved chemical cartridge respirator with organic vapor cartridges and a pesticide pre-filter.

---

Amdro Quick Kill Mosquito Yard Spray
Safety Data Sheet

Explosion limits : No data available
Explosive properties : Not explosive
Oxidizing properties : Not applicable

9.2. Other information
No additional information available

SECTION 10: Stability and reactivity

10.1. Reactivity
The product is non-reactive under normal conditions of use, storage and transport.

10.2. Chemical stability
Stable under normal conditions.

10.3. Possibility of hazardous reactions
No dangerous reactions known under normal conditions of use.

10.4. Conditions to avoid
Heat, sparks, open flame. Excess heat.

10.5. Incompatible materials

10.6. Hazardous decomposition products
Under normal conditions of storage and use, hazardous decomposition products should not be produced. May decompose upon heating to produce toxic gases which may include: hydrogen chloride, carbon oxides, hydrogen cyanide and chlorine.

Potential health effects

**Inhalation**
Acute : May be harmful if inhaled.
Chronic : Repeated and prolonged exposure via inhalation may be harmful.

**Skin**
Acute : May cause skin irritation, Skin contact (vapor or powder) may be followed by transient tingling or numbness, usually of the face, but this subsides without treatment.

**Eye**
Acute : Causes serious eye irritation.
Acute

Large doses of zeta-cypermethrin, ingested by laboratory animals, may produce signs of toxicity including tremors, incoordination, convulsions, staggered gait, and oral discharge. Experience to date indicates that contact with zeta-cypermethrin may produce skin sensations such as numbing, burning or tingling. These sensations are reversible and usually subside within 12 hours.

12.2. Persistence and degradability

Zeta-cypermethrin (52315-07-8)

12.3. Bioaccumulative potential

Zeta-cypermethrin (52315-07-8)

Bioaccumulative potential: Zeta-cypermethrin: The substance does not have a potential for bioconcentration.

12.4. Mobility in soil

Zeta-cypermethrin (52315-07-8)

Mobility in soil: Zeta-cypermethrin: Immobile; Not expected to reach groundwater.

12.5. Other adverse effects

Zeta-cypermethrin (52315-07-8)

Ecological Fate: This pesticide is extremely toxic to fish, aquatic invertebrates including oysters and shrimp.

SECTION 13: Disposal considerations

13.1. Disposal methods

Product/Packaging disposal recommendations: Dispose of content and/or container in accordance with local, regional, national, and/or international regulations.

SECTION 14: Transport information

SECTION 15: Regulatory information

15.1. US Federal regulations

Surfactant (78330-21-9)

Listed on the United States TSCA (Toxic Substances Control Act) inventory

EPA TSCA Regulatory Flag: XU - XU - indicates a substance exempt from reporting under the Inventory Update Reporting Rule, i.e. Partial Updating of the TSCA Inventory Data Base Production and Site Reports (40 CFR 710(C)).

FIFRA Labelling

EPA Registration Number: 279-3347-90098
Amdro Quick Kill Mosquito Yard Spray
Safety Data Sheet

This chemical is a pesticide product registered by the United States Environmental Protection Agency and is subject to certain labeling requirements under federal pesticide law. These requirements differ from the classification criteria and hazard information required for safety data sheets (SDS), and for workplace labels of non-pesticide chemicals. The hazard information required on the pesticide label is reproduced below. The pesticide label also includes other important information, including directions for use.

FIFRA Signal Word  Caution
FIFRA Hazard Statement  KEEP OUT OF REACH OF CHILDREN.
FIFRA First Aid
If swallowed • Call poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person. If in eyes • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice. Note to Physician: Skin contact (vapor or powder) may be followed by transient tingling or numbness, usually of the face, but this subsides without treatment. This product is a pyrethroid. If large amounts have been ingested, the stomach and intestines should be evacuated. Treatment is symptomatic and supportive.

FIFRA Environmental Hazards
This pesticide is extremely toxic to fish, aquatic invertebrates, oysters and shrimp. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems. Care should be used when spraying to avoid fish and reptile pets in/around ornamental ponds. This product is highly toxic to bees exposed to direct treatment or residues on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees are foraging the treatment area.

15.2. US State regulations
No additional information available
