Terms of Promise

Frigidaire® promises that your new 30" or 36" Frigidaire® brand cooktop will fit your existing countertop cutout of the same width (30" or 36") and fuel type (gas or electric/induction), or Frigidaire will reimburse you for countertop modification costs up to \$100. The Frigidaire Fit Promise program does not cover the cost of installation. The program is intended only to cover potential cost of making modifications to your current kitchen countertop in the situation that the new Frigidaire model does not fit the existing cooktops cutout space. The new unit must also be the same common industry width (30" or 36") and fuel type (Electric/Induction or Gas) as the unit being replaced (old unit). In the circumstance that the \$100 maximum re-imbursalment does not cover the full cost of countertop modifications, then you are responsible for the costs that exceed the maximum \$100 allowance. Countertop modifications and installation must be performed by professional installer or contractor. The promise applies to purchases of any of the qualifying models above in the USA in 2021 from an authorized Frigidaire dealer only. Countertop cutouts for new home construction or remodeling that require the location of the cutout to be moved do not qualify. Not available to clubs, organizations, groups, bulk or multi-unit sales to apartments, condominiums, subdivisions or wholesalers. Limit one claim per household. Claim forms must be submitted within 60 days of purchase or installation, whichever is later. Late, noncompliant or duplicate submissions will not be honored. Claim form may not be assigned, transferred or sold. No substitution permitted. Frigidaire makes no other promise regarding the fit of your wall oven other than those expressly set forth herein. By submitting this claim, you hereby accept the stated terms and conditions.
