### What Do Owners Think Of Their Excalibur? OWNER'S ACTUAL COMMENTS TELL THEIR STORIES BEST...

#### "As a working mother..."

*As a working mother, I make apple rings, yogurt rolls, or fruit rolls for my kids. The Excalibur makes wonderful, healthy snacks that taste better than anything you've ever gotten from the store. A lot of things from the store have preservatives but when I make them myself, I know what I'm adding. I think healthy snacks and a healthy diet helps kids do well.*

— Bonnie Thompson, Rancho Cordova, CA

#### "We recommend the Excalibur."

*With the right equipment, it's easy to dry a wide variety of fruits, vegetables, and meats at home. Dehydrators should have adjustable thermostats so you can regulate temperature. They should have fans to move the hot air. They should have good materials and workmanship. We recommend the Excalibur because it has all these features. If you want to dry a wide variety of foods successfully, the Excalibur is a good choice.*
