

Bruna Parede

Designed in 2007

	Safety cage compatible
	Proudly assembled with American labor
	Handmade

shown in Bronzette with metal blades and safety cage

shown in Brushed Nickel with metal blades and safety cage

The Brunna Parede is reminiscent of the wall fans of the early 20th century. The fan head of the Brunna Parede wall mounted fan can be infinitely positioned vertically and horizontally across 180-degree arcs to provide maximum directional airflow. It can be mounted in small, awkward spaces or in front of HVAC ducts to make more efficient the heating, ventilation or air conditioning of any space. Constructed of cast aluminum, heavy spun and stamped steel, the Brunna Parede carries a limited lifetime warranty.

Current specification sheets can be found at MatthewsFanCo.com. (02_2018)

Standard Finishes

Special Order Finishes

FAN SPECIFICATIONS

Fan Diameter	13 inches / 33 cm
Fan Height	21 inches / 51 cm
